Victoria University in partnership with SAP have established SAP uAcademy. This facility enables students from Victoria University undertake SAP Consultant Certification training via e-learning. Victoria University will be offering a number of programs which will extend the university’s SAP related curriculum. The uAcademy will be accessible at the anywhere within Australia via online facilities. Students can study at their own pace being supported through an online call centre. Details for the course are outlined below.

**Business Intelligence – SAP NetWeaver 7.0**

**Time:**

Students can access the training materials from anywhere within Australia. In addition students have access to the SAP uAcademy room from 9:00am to 9:00pm during university operating times.

**Location:**

City Campus RM 1057

**Duration**

- Students have access to the uAcademy course for 200 hours over a 5 month period

**Course**

SAP uAcademies include:

- e-Learning courses
- Help desk support
- Access to training systems
- Student handbooks
Target Audience

- This class is limited for students who are enrolled at Victoria University and have successfully completed BCO6676 Business Intelligence and who wish to gain SAP Consultant Certification.

Prerequisites

Essential:
- BCO6676 Business Intelligence.

Software Component(s) and Release(s)

- NetWeaver 7.0

Course Content

The SAP uAcademy is a package of the following training contents:

- BW001 SAP NetWeaver Business Intelligence (e-learning)
- TBW10 BI Enterprise Data Warehousing (e-learning)
- TBW20 BI Reporting and Query Design (e-learning)
- TBW41 BI Extraction with UDI and XI and APD (e-learning)
