Victoria University in partnership with SAP have established SAP uAcademy. This facility enables students from Victoria University undertake SAP Consultant Certification training via e-learning. Victoria University will be offering a number of programs which will extend the university's SAP related curriculum. The uAcademy will be accessible at the anywhere within Australia via online facilities. Students can study at their own pace being supported through an online call centre. Details for the course are outlined below

**Financials – Management Accounting (ECC 6)**

**Time:**

Students can access the training materials from anywhere within Australia. In addition students have access to the SAP uAcademy room from 9:00am to 9:00pm during university operating times.

**Location:**

City Campus RM 1057

**Duration**

- Students have access to the uAcademy course for 200 hours over a 5 month period

**Course**

SAP uAcademies include:

- E-Learning courses
- Help desk support
- Access to training systems
- Student handbooks
Target Audience

- This class is limited for students who are enrolled at Victoria University and have successfully completed BCO6714 Computerised Accounting in ERP Systems and who wish to gain SAP Consultant Certification.

Prerequisites

Essential:
- BCO6714 Computerised Accounting in ERP Systems.

Software Component(s) and Release(s)

- SAP ECC 6

Course Content

The SAP uAcademy THR1e is a package of the following training contents:

- SAP125 SAP Navigation 2005 (e-learning)
- ERP001 Management Empowered By SAP ERP (e-learning)
- ERP020 Management Empowered by SAP Financials (e-learning)
