

# A UNIQUE SAP EDUCATIONAL OPPORTUNITY

## Consultant Certification in TERP10 SAP ERP - Integrated Business Processes January 30<sup>th</sup> – Feb 10<sup>th</sup>, 2012

Victoria University in partnership with SAP will be offering Consultant Certification in TERP10 SAP ERP Integrated Business Processes. This course is only available to students enrolled at an SAP University Alliance member university (Victoria University, University of Melbourne, Swinburne University, Latrobe University, RMIT, and Monash University).

This is a unique opportunity and SAP has allowed this course to be offered at a significantly discounted cost. The program is designed for a maximum success rate and is conducted over a total of 10 days to enable participants the opportunity to continually review their learning prior to undertaking the examination. Over recent years the VU SAP program has had the highest success rates compared to similar programs on offer. Places in the course are limited due to computer laboratory size. Details for the course are outlined below
