#### **Duration**

- Students have access to the uAcademy course for 200 hours over a 5 month period

**VICTORIA  
UNIVERSITY**

**A NEW  
SCHOOL OF  
THOUGHT**

## Course

SAP uAcademies include:

- e-Learning courses
- Help desk support
- Access to training systems
- Student handbooks

## Target Audience

- This class is limited for students who are enrolled at Victoria University and have successfully completed BCO5647 Application Programming Techniques and who wish to gain SAP Consultant Certification.

## Prerequisites

**Essential:**

- BCO5647 Application Programming Techniques

## Software Component(s) and Release(s)

- SAP ECC 6

## Course Content

The SAP uAcademy THR1e is a package of the following training contents:

- TAW10 ABAP Workbench Fundamentals (e-learning)
- TAW12 ABAP Workbench Concepts (e-learning)

Help Desk Support is provided for the participants to enable them to understand the training material, resolve queries and assist in assignments during the access period. In this timeframe the participants will get access to training systems to work through the exercises and demo scenarios.

## Cost

\$ 3600 (including GST)

(includes: training, help desk support, SAP Certificate). Please note that an additional fee of \$550 (including GST) for the Certification Examination is payable to SAP.
