Carol Giannone  
*SAP.*

This panel discussion will be moderated by Carol Giannone, a business development manager with SAP’s Applications Hosting Team. In her 5+ years with SAP, Ms. Giannone has managed efforts in the business development, ASP Partner Management, and product marketing arenas. She has been a key member of the Applications Hosting team since the program started in January of 1999. Prior to that, Ms. Giannone was a member of the leadership and support team for the launch of mySAP.com. Before joining SAP, Ms. Giannone was a consultant in consumer industry.
